

1. Do you use the Sunnyvale Landfill for any of these recreational activities? (check all that apply)

		Response Percent	Response Count
Pedestrian trails for hiking and running		67.6%	470
Dog walking		19.1%	133
Bird watching		35.5%	247
Mountain biking		24.9%	173
Other (please specify)		17.8%	124
answered question			695
skipped question			301

2. Which of the following additional recreational uses at the Sunnyvale Landfill would you support?

		Response Percent	Response Count
None		8.2%	81
Animal Assisted Happiness (AAH) community animal farm		46.4%	458
Fenced dog park		38.7%	382
Bike skills park: skills features for all types of bicycles and levels of skills		27.4%	270
Athletic Fields: baseball and soccer		37.2%	367
Separate pedestrian trails for running, jogging, hiking and walking		50.1%	494
Separate bike trails for all types of non-motorized bikes		41.9%	414
Park enhancements (e.g., directional, educational and regulatory signs, restrooms, drinking fountains, benches, etc.)		50.1%	494
Other (please specify)		10.7%	106
answered question			987
skipped question			9

3. Are you a Sunnyvale resident?

		Response Percent	Response Count
Yes		82.3%	815
No		17.7%	175
answered question			990
skipped question			6

4. Do you have any other comments or recommendations regarding the possibility of additional recreational uses of the Sunnyvale Landfill?

		Response Percent	Response Count
Yes		26.7%	237
No		73.3%	650
Other (please specify)			280
answered question			887
skipped question			109

Page 2, Q1. Do you use the Sunnyvale Landfill for any of these recreational activities? (check all that apply)

1	I don't currently use the space.	Oct 15, 2013 6:47 PM
2	We are not using it	Oct 15, 2013 12:03 PM
3	None	Oct 15, 2013 11:31 AM
4	I do not use this facility.	Oct 15, 2013 11:31 AM
5	Don't really go there as it is not appealing	Oct 15, 2013 9:58 AM
6	Family walks	Oct 15, 2013 9:29 AM
7	As a place to be. Where I can hear the sounds of nature instead of the sounds of traffic.	Oct 15, 2013 8:34 AM
8	sport field area for the kids and youth	Oct 14, 2013 10:30 PM
9	Do not use	Oct 14, 2013 9:29 PM
10	I don't use it for anything	Oct 14, 2013 9:23 PM
11	getting free dirt	Oct 14, 2013 8:54 PM
12	Play sports with mi kids	Oct 14, 2013 7:38 PM
13	Did not use it for anything	Oct 14, 2013 7:19 PM
14	Kite flying, dog park.	Oct 14, 2013 7:18 PM
15	We have used this area; just Baylands park to bike and walk.	Oct 14, 2013 6:58 PM
16	none	Oct 14, 2013 6:53 PM
17	Soccer park	Oct 14, 2013 6:31 PM
18	SASC	Oct 14, 2013 6:04 PM
19	Home school lessons	Oct 14, 2013 5:22 PM
20	Sports practice	Oct 14, 2013 5:22 PM
21	Youth sports (soccer, swimming, basketball, football, baseball, etc.)	Oct 14, 2013 5:15 PM
22	If free from toxins and not a future health concern it would be nice to have a bike path and rec area for skating or walking and running that is safe and away from traffic.	Oct 14, 2013 4:47 PM
23	Sunnyvale Alliance Soccer fields/complex	Oct 14, 2013 4:29 PM
24	Athletic Fields for soccer	Oct 14, 2013 4:20 PM
25	Wildlife Observation beyond birds, and photography for art and documentation.	Oct 14, 2013 4:15 PM
26	Space to play sports with the kids	Oct 14, 2013 4:13 PM

Page 2, Q1. Do you use the Sunnyvale Landfill for any of these recreational activities? (check all that apply)

27	Occasional walks - the landfill isn't exactly a recreational destination at this time!	Oct 14, 2013 4:09 PM
28	Athletic fields: soccer	Oct 14, 2013 4:00 PM
29	Elementary school, Stockmeir has over 1200 students, it is absurd.	Oct 14, 2013 3:59 PM
30	baseball fields, batting cages for little league	Oct 14, 2013 3:52 PM
31	Enjoying nature	Oct 14, 2013 3:41 PM
32	Nothing	Oct 14, 2013 3:40 PM
33	Soccer	Oct 14, 2013 3:37 PM
34	nothing	Oct 14, 2013 3:36 PM
35	Watch fireworks on 4th of July	Oct 14, 2013 3:34 PM
36	Trail running as well as running on the hill for strength training.	Oct 14, 2013 10:07 AM
37	No	Oct 13, 2013 2:51 PM
38	None	Oct 13, 2013 11:02 AM
39	Wildlife Photography	Oct 12, 2013 2:21 PM
40	None	Oct 12, 2013 12:16 PM
41	None. I don't use the landfill for recreational activities	Oct 12, 2013 12:13 PM
42	Actually I didn't know we could! But now that I do I expect to walk, walk the dog, and bike.	Oct 12, 2013 9:30 AM
43	I do not use the property	Oct 12, 2013 8:46 AM
44	relaxing and meditating	Oct 12, 2013 1:08 AM
45	no	Oct 11, 2013 7:12 PM
46	None	Oct 11, 2013 6:56 PM
47	Dogpark that is fenced in	Oct 11, 2013 6:02 PM
48	picnics and week end events	Oct 11, 2013 5:23 PM
49	no activity	Oct 11, 2013 4:45 PM
50	Haven't used it yet.	Oct 11, 2013 1:00 PM
51	Running	Oct 11, 2013 12:15 PM
52	since i work a block away on Crossman i do like to watch the trucks on the top of the mountain move dirt around.	Oct 11, 2013 11:44 AM

Page 2, Q1. Do you use the Sunnyvale Landfill for any of these recreational activities? (check all that apply)

53	Although I live less than a mile from it, I've never used the Sunnyvale Landfill site for recreation.	Oct 11, 2013 11:43 AM
54	None	Oct 11, 2013 10:04 AM
55	relaxing in nature	Oct 11, 2013 9:33 AM
56	I come all the way up from Tucson to bird watch here.	Oct 11, 2013 9:08 AM
57	'Road' cycling too - the terrain isn't very rough.	Oct 11, 2013 8:40 AM
58	no	Oct 11, 2013 8:16 AM
59	no	Oct 11, 2013 7:26 AM
60	getting material for composting	Oct 11, 2013 6:43 AM
61	None	Oct 11, 2013 6:32 AM
62	I don't use the Sunnyvale landfill for recreational activities	Oct 11, 2013 12:40 AM
63	I'm sorry, but I've never been there...	Oct 10, 2013 11:53 PM
64	none	Oct 10, 2013 10:10 PM
65	monitoring burrowing owl populations	Oct 10, 2013 9:50 PM
66	running, i.e. hill repeats & fartleks around west hill	Oct 10, 2013 9:15 PM
67	Enjoying the outdoors.	Oct 10, 2013 9:04 PM
68	Do not use	Oct 10, 2013 8:31 PM
69	None of the above	Oct 10, 2013 8:16 PM
70	None	Oct 10, 2013 7:58 PM
71	We used to watch airshows there. And we have watched the goats when they have been there.	Oct 10, 2013 7:38 PM
72	None	Oct 10, 2013 6:22 PM
73	NO!	Oct 10, 2013 6:03 PM
74	no i don't	Oct 10, 2013 5:49 PM
75	None	Oct 10, 2013 5:26 PM
76	We don't use any but are interested if we could walk our dogs in an open area without the many restrictions placed on other public dog walking areas.	Oct 10, 2013 5:22 PM
77	The space is less than ideal for recreational use due to the proximity to the sewage treatment facility and the distinctive order that is present. The mandate is wasteful and incapable of addressing our comunitie's needs.	Oct 10, 2013 5:10 PM

Page 2, Q1. Do you use the Sunnyvale Landfill for any of these recreational activities? (check all that apply)

78	Wildlife viewing. Wild rabbits and occasional burrowing owl sightings would be amazing.	Oct 10, 2013 4:53 PM
79	Mins	Oct 10, 2013 4:52 PM
80	The citisens of Sunnyvale need all the Recreation we can get!	Oct 10, 2013 4:08 PM
81	Bicycling	Oct 10, 2013 3:54 PM
82	Not at this time but did not realize it was available for these recreational activities.	Oct 10, 2013 3:44 PM
83	Often walk out there and very much enjoy.	Oct 10, 2013 3:39 PM
84	kite flying	Oct 10, 2013 3:13 PM
85	Plant some shade trees and pedestrian paths.	Oct 10, 2013 2:36 PM
86	no	Oct 10, 2013 1:38 PM
87	Have not used facility yet	Oct 10, 2013 1:21 PM
88	No, i do not use it.	Oct 10, 2013 12:44 PM
89	smoking	Oct 10, 2013 12:02 PM
90	Enhance the area with suitable native plants so the habitat would improve for wildlife. The urban recreation proposals would require automobile trips and parking all for which are undesirable for the environment and disruptive to the natural wildlife which are important to urban dwellers.	Oct 10, 2013 10:05 AM
91	The Burrowing Owls are a great attraction for me and those I walk with.	Oct 9, 2013 11:18 PM
92	The landfill is the destination for monthly birdwatching trips through the Los Gatos Birdwatcher, an outlet in Los Gatos that supplies support and products for birds. The landfill provides a plentiful site for monitoring and viewing the bird of our Baylands.	Oct 9, 2013 9:53 PM
93	All kinds of nature study, birds, butterflies, dragonflies, etc.	Oct 9, 2013 9:30 PM
94	don't use it	Oct 9, 2013 5:53 PM
95	Water access	Oct 9, 2013 4:43 PM
96	Have never visited the landfill, but now that I know about it I will consider hiking there one day.	Oct 8, 2013 6:17 PM
97	I haven't used it for any of these activities yet.	Oct 8, 2013 5:03 PM
98	I don't use it	Oct 8, 2013 3:58 PM
99	no	Oct 7, 2013 2:24 PM
100	Walking occasionally, but mostly on Bay Trail.	Oct 7, 2013 2:12 PM

Page 2, Q1. Do you use the Sunnyvale Landfill for any of these recreational activities? (check all that apply)

101	none	Oct 4, 2013 4:38 AM
102	I was not aware that dogs where allowed at the Sunnyvale Landfill. I will definitely start to walk my do there.	Oct 3, 2013 11:01 PM
103	Walking along the trails.	Oct 3, 2013 4:15 PM
104	Never used...	Oct 2, 2013 2:03 PM
105	Commuting to work	Oct 2, 2013 2:01 PM
106	love the rabbits, squirrels, and always looking for burrowing owls, egrets and raptors	Oct 2, 2013 12:08 PM
107	Relaxation and quite!	Oct 1, 2013 10:08 PM
108	I love the hiking/bird watching/dog walking. I can't believe 15 mintues from my house is all this!	Oct 1, 2013 9:16 PM
109	NONE	Oct 1, 2013 6:46 PM
110	I live close to the area and I am hoping that the dump doesn't affect the quality of the water when it rains.	Oct 1, 2013 5:25 PM
111	never been to this place.	Oct 1, 2013 3:23 PM
112	BMX bike track.	Oct 1, 2013 2:43 PM
113	did not know it was available for use. I thought ti was only available occasionally for guided birdwatching tours	Oct 1, 2013 2:43 PM
114	trails for walking	Oct 1, 2013 1:26 PM
115	Radio controlled model flying	Oct 1, 2013 1:23 PM
116	Never been there	Oct 1, 2013 11:35 AM
117	no	Oct 1, 2013 11:01 AM
118	none of these	Oct 1, 2013 10:01 AM
119	Don't use, but would consider using. Didn't know these were available.	Oct 1, 2013 9:58 AM
120	Do not use it.	Oct 1, 2013 9:56 AM
121	Enjoying nature	Sep 30, 2013 8:23 PM
122	none	Sep 30, 2013 8:19 PM
123	PEACE, MEDIATION.	Sep 28, 2013 6:36 PM
124	Mountain boarding, rc car driving and goat watching	Sep 27, 2013 11:57 AM

Page 2, Q2. Which of the following additional recreational uses at the Sunnyvale Landfill would you support?

1	Great place for a skateboard center, separated from the other activities. Children's playground could be included, as well as open areas for kite flying, par courses, Segue rentals, tandem bike rentals, water features, inner tube rafting on a perimeter water course, badminton, volleyball, & basketball courts, etc.	Oct 15, 2013 6:47 PM
2	Softball should be the focus, Sunnyvale Girls Softball is bigger than any of the baseball leagues in the city of Sunnyvale and yet does not enjoy many of the same "perks" that the baseball leagues do.	Oct 15, 2013 11:31 AM
3	kite area; dedicated species recovery habitats (owls, etc.); signage regarding contents, history, enviro impact, etc. of landfill -- how does it work, what happens to it over years... science info.	Oct 15, 2013 10:08 AM
4	Lighted Basketball Courts at least 2	Oct 15, 2013 9:58 AM
5	No dogs! They are incompatible with ground nesting wildlife. Also I would like to be able to bicycle along with my dad who is in an electric wheelchair.	Oct 15, 2013 8:34 AM
6	Kite flying area like they have at Shoreline Park.	Oct 15, 2013 1:51 AM
7	A motorized bike park. Motocross park or a couple of tracks.	Oct 15, 2013 12:20 AM
8	A soccer complex is needed in our area. There are no soccer complexes in our area to serve multiple teams playing at the same time for soccer tournaments. The closest one is down in Morgan Hill.	Oct 14, 2013 8:31 PM
9	Solar farm	Oct 14, 2013 8:01 PM
10	I would love to see more athletic fields but I have concerns about the off gassing and think it would be unhealthy for kids to play on regularly.	Oct 14, 2013 6:09 PM
11	A place to hold a picnic.	Oct 14, 2013 4:38 PM
12	Just leave it alone and let the animals continue to have space.	Oct 14, 2013 4:03 PM
13	Schools, Stockmeir isbway too big	Oct 14, 2013 3:59 PM
14	Science education related activities like the Youth Science club that is in Vasona Park. A skating rink or a trail for children to skate on without any other vehicles or adults in tow.	Oct 14, 2013 3:40 PM
15	Animal Assisted Happiness ONLY if the facility is located close to the entrance to the park so that structures and roads do not have to be built in the center of the landfill.	Oct 14, 2013 2:21 PM
16	Habitat protection, restoration.	Oct 14, 2013 8:57 AM
17	Already have huge baylands park for kites, walking, picnicing, gas airplanes, already have huge baseball fields located next to baylands. Who would use this dog park??? the residents of the businesses???	Oct 13, 2013 8:25 PM
18	Storage facility for Sunnyvale Community Players Costume shop and sets warehouse.	Oct 12, 2013 8:46 AM

Page 2, Q2. Which of the following additional recreational uses at the Sunnyvale Landfill would you support?

19	plant more trees - I miss the Eucalyptus trees - now there is no shade	Oct 12, 2013 7:27 AM
20	PLEASE NO MOTORIZED BIKE USAGE!!! This is a nature preserve for birds and the crowds and noise would scare them away. PLEASE no organized group sports--this would bring big crowds and traffic at the same time--we don't need more traffic and the noise would scare away the birds	Oct 12, 2013 5:53 AM
21	Kite sailing area that is safe to use	Oct 12, 2013 5:35 AM
22	nature, peace and open spaces	Oct 12, 2013 1:08 AM
23	Kite flying area	Oct 11, 2013 8:21 PM
24	I have been going to the baylands for the past 7 years. I love how it is and hope it never changes	Oct 11, 2013 7:50 PM
25	Any other use found by a significant number of residents to be useful.	Oct 11, 2013 6:56 PM
26	Sunbathing/picnic area where it is OK to wear swimsuit/bikini/shorts.	Oct 11, 2013 6:42 PM
27	meditation and yoga hall	Oct 11, 2013 5:23 PM
28	I didn't know that AAH was looking to use this location - I just got a note about this survey on my neighborhood email list. When my special needs kids was young, we visited them twice in their first facility in their home. They are amazing what they do for special children and as a Sunnyvale resident it would be an honor to have them in our city.	Oct 11, 2013 2:45 PM
29	Preserve Nature instead of Destroying it. Don't build useless things that will put in danger our wildlife.	Oct 11, 2013 1:20 PM
30	Place for music, plays, poetry readings	Oct 11, 2013 1:00 PM
31	I support these ideas, but I do not support the city funding these activities. Non-profits need to fund them. Also, I'd like the city to consider installing a labyrinth as an outdoor walking feature.	Oct 11, 2013 11:43 AM
32	I like the concept of AAH but don't want to commit to a specific entity. I recognize that the local schools could benefit from a community animal farm - the landfill site is much closer to Sunnyvale & Santa Clara schools than Deer Hollow Farm, Ardenwood Farm, Hidden Villa, or Emma Prusch Farm	Oct 11, 2013 11:34 AM
33	Youth Football fields	Oct 11, 2013 11:07 AM
34	Viewing platforms with telescopes	Oct 11, 2013 8:56 AM
35	Soccer fields would be AWESOME. We already have the base/softball right down the street but Sunnyvale lacks more soccer pitches. Especially since the sport is really growing in the US.	Oct 11, 2013 8:40 AM
36	Solar Power Farm that will support low income or no income Sunnyvale residents.	Oct 11, 2013 6:12 AM
37	1) Boardwalk further into bay land or over water. 2) Shooting range or skeet	Oct 11, 2013 12:44 AM

Page 2, Q2. Which of the following additional recreational uses at the Sunnyvale Landfill would you support?

	shooting area	
38	resting spots with benches would be helpful. I have severe fatigue which limits my activities. If there were benches I could rest before returning to my car.	Oct 10, 2013 11:03 PM
39	build another road to ease the traffic of highway 237 if possible. build more house as housing is increasingly expensive.	Oct 10, 2013 10:50 PM
40	Maintaining the habitat for burrowing owls.	Oct 10, 2013 9:50 PM
41	Kids playground	Oct 10, 2013 9:15 PM
42	Kid play area that's safe for free play, but just another jungle gym or soccer field but something innovative & new - these are the kids of Silicon Valley ... Sunnyvale should pioneer something grand & unexpected for the kids (young kids too)	Oct 10, 2013 8:24 PM
43	I'm not opposed to any of the above but I don't need them.	Oct 10, 2013 7:29 PM
44	I would love Animal Assisted Happiness to come to the landfill. I work at Fremont High School and they come to our class. It would be great addition to Sunnyvale!	Oct 10, 2013 7:11 PM
45	Preservation of all Burrowing Owl and Jack Rabbit Habitat!!!	Oct 10, 2013 7:08 PM
46	Archery and rifle range	Oct 10, 2013 7:05 PM
47	Protect wildlife and to restore burrowing owl habitat on the landfill. There are not many places left where the owls can go. Habitat should be at the top of the priority list!!! Recreational development must be compatible with the protection of nature and burrowing owl habitat!!!	Oct 10, 2013 6:48 PM
48	Field for Cricket. There is a sizeable community of Immigrants from the Commonwealth nations in the bay area, and we are sorely lacking a cricket field of international standards. We have over 100 teams (1500+ members) that are currently involved in recreational leagues that use make-shift facilities in schools and some public parks (Ortega for example) to participate in this sport. We have a kids league in Cupertino that also uses make shift facilities. It would be great to have some of this space for a cricket field, that could potentially be used to host professional games in future to address the growing interest in the community to take up this sport. As a Coach certified by the International cricket council, I would love to see a venue to promote the game to new audiences.	Oct 10, 2013 6:05 PM
49	habitat restoration	Oct 10, 2013 5:54 PM
50	who is going to pay for it - Sunnyvale residents?	Oct 10, 2013 5:49 PM
51	Flying radio controlled airplanes	Oct 10, 2013 5:13 PM
52	Some enhancement for public use would be great, but only if it protects what is left of the wildlife environment and enhances it for future generations to enjoy.	Oct 10, 2013 4:53 PM
53	Dogs should have a designated area to prevent wildlife disturbance, they	Oct 10, 2013 4:50 PM

Page 2, Q2. Which of the following additional recreational uses at the Sunnyvale Landfill would you support?

	sunnyvale baylands hosts one of the most diverse ecosystems in the bay and is home to many rare bird species. Sunnyvale should develop a Burrowing Owl Preservation Plan before proceeding in developing the landfill areas. It is most important to preserve natural heritage first, without the burrowing owl Sunnyvale wont be such a sunny place.	
54	Motocross track	Oct 10, 2013 4:49 PM
55	Wildlife and native plant conservation.	Oct 10, 2013 4:20 PM
56	Open space for wildlife and low-impact wildlife viewing activities.	Oct 10, 2013 4:04 PM
57	Keep it as natural as possible for the wildlife.	Oct 10, 2013 3:59 PM
58	1) When someone is going exercising, they want to breath fresh air, not sticky air near Smart station, imho. So that rules out few options above. 2) I don't support any kind of park enhancement, because there are enough beautiful parks in the city that are not so utilized, we can improve the existing ones. Also, due to prevalent smell, I am not too sure how many would use it as a park anyways.	Oct 10, 2013 3:52 PM
59	Off leash dog park.. Off leash dog trails	Oct 10, 2013 3:52 PM
60	Regular biking trail connect to Sunnyvale baylands park	Oct 10, 2013 3:30 PM
61	The natural habitat should be preserved. A burrowing owl preservation plan should be prepared and implemented prior to any other recreational uses and amenities are considered. Proposed recreation and park enhancements must be evaluated in light of their compatibility with the goal of preserving habitat and bringing burrowing owls back to Sunnyvale.	Oct 10, 2013 1:22 PM
62	Let the wildlife be! I definitely don't support AAH, or any other farm that teaches children to exploit and use animals. There is already a similar farm at Rancho San Antonio called Deer Hollow Farm. Those animals are sent to slaughter, but they are shown to the kids as if they are so cute. If we're going to show kids a farm, let's not sugar coat it and make it seem okay to exploit animals.	Oct 10, 2013 10:31 AM
63	Protection and suitable modifications for Burrowing Owls. This area was previously used by Burrowing Owls, but most have disappeared likely due to neglect by the city. Burrowing owls need short grass near their burrows, land for foraging. They are a species of special concern in California which is declining in California. It would be good for you to contact the city of Mountain View which as protected their Burrowing Owl population for many years. I'm sure they can give you some tips. In the past I monitored the Sunnyvale Baylands site for California Fish and Game. At that period several pairs of Burrowing Owls were present.	Oct 10, 2013 10:05 AM
64	I think the Sunnyvale landfill area should be preserved for wildlife habitat, with interactive trails for people to walk and hike and learn about nature. I have small children and I want to be able to walk with them and show them natural wildlife habitat in that area, especially birds.	Oct 10, 2013 8:39 AM
65	enhanced habitat for burrowing owls	Oct 9, 2013 10:49 PM

Page 2, Q2. Which of the following additional recreational uses at the Sunnyvale Landfill would you support?

66	I would love a farm that everybody can use, not only families with special needs.	Oct 9, 2013 6:00 PM
67	Kiteboarding. The sloughs there are a fantastic spot for kiteboarding, as they get tremendous wind. I do not kiteboard, but would like to see it encouraged there. maybe I'll learn to kiteboard.	Oct 9, 2013 5:29 PM
68	Pheasant and quail hunting	Oct 9, 2013 4:44 PM
69	water access for on-water activities	Oct 9, 2013 4:43 PM
70	Solar Panels/Solar Farm	Oct 9, 2013 4:08 PM
71	Anything which keeps the wildlife safe...that's what i want!	Oct 9, 2013 3:58 PM
72	Allow people to fly kites, models and paragliders to take advantage of the good wind well oriented on the top of the hills. These recreational activities as intended to take advantage of the wind have minimal footprint, less than any other activity. And of course do not require any special funding or expense.	Oct 9, 2013 3:35 PM
73	The area could be used as a community farm for people to grow their own food.	Oct 9, 2013 12:16 PM
74	Playground	Oct 9, 2013 9:58 AM
75	The landfill still produces some potent odors, so any additional use recommendations assume that problem gets addressed.	Oct 9, 2013 9:58 AM
76	Large space for off leash dog recreation...not just a postage stamp size space which are useless piss pots.	Oct 8, 2013 8:17 PM
77	On road and off road remote control car tracks.	Oct 8, 2013 5:03 PM
78	City sponsored 5k or 10k race event, like the city of Campbell has (http://www.ci.campbell.ca.us/recreation/specialevents/VFR/index.htm).	Oct 8, 2013 2:43 PM
79	solar panels	Oct 8, 2013 12:02 PM
80	Please post more information about the Don Edwards National Wildlife Refuge that is all around this park. The view from the top of the hill is quite nice.	Oct 7, 2013 8:03 PM
81	definitely BATHROOMS!!!	Oct 7, 2013 3:28 PM
82	Kite flying, model airplane flying	Oct 7, 2013 2:12 PM
83	Model plane flight area	Oct 5, 2013 7:58 AM
84	Paved connection to bay trail	Oct 4, 2013 1:22 PM
85	It would be nice to have an picnic area in one of the elevated sections for viewing of the bay area.	Oct 4, 2013 8:10 AM
86	None of the current open space should be used. The burrowing owl and other species that need open fields need this space--it is all that is left in Sunnyvale. IF and that's a big IF any other uses are permitted, those uses should not interfere with current needs.	Oct 3, 2013 4:15 PM

Page 2, Q2. Which of the following additional recreational uses at the Sunnyvale Landfill would you support?

87	I might support the AAH, but I don't know enough about it to comment one way or the other. I would like more information as to what it means ... will the animals scare off the birds that are there? I am guessing not, but I do need more info.	Oct 2, 2013 7:30 PM
88	Paint ball field	Oct 2, 2013 6:24 PM
89	Perhaps capture landfill gas for alternative energy power generation similar to what ALZA did in the now Googleplex	Oct 2, 2013 5:13 PM
90	Beginning to pave Sunnyvale's sections of the Bay Trail would be nice.	Oct 2, 2013 1:53 PM
91	Dirt bike area where motorbikes could be used.	Oct 2, 2013 1:49 PM
92	I would not support if this means closing or reducing facilities or upkeep in other parks. Great to put fenced dog park on landfill if it expands space in other parks for people!	Oct 2, 2013 12:41 PM
93	Nature and habitat must be preserved before any other development is proposed	Oct 2, 2013 12:08 PM
94	Restrooms.	Oct 2, 2013 8:31 AM
95	Whatever will get the most bang (use) for our buck (tax dollars), should be first. If school groups would use them, go for it. If Special Needs Groups would make use of them, go for it.	Oct 2, 2013 8:19 AM
96	I support all the priposed uses. I would use the ones I checked	Oct 2, 2013 7:04 AM
97	Dogs should be allowed to walk with their owners as they do now! Please install additional dedicated SOCCER fields so the soccer fans have their own area! I find unfair to try to use any number of the school or park fields to play Frisbee or football with my family or friends only to be turned away by these selfish sports groups!!!!!! They hog the fields EVERY weekend!!!!!!!!!! PLEASE HELP!!! Please listen!!!	Oct 1, 2013 10:08 PM
98	Wetlands restoration to allow observation and preservation of migratory species.	Oct 1, 2013 10:04 PM
99	Having a community animal Farm (AAH) would be great. Around this farm we could have the trails so all the people could see the animals as they bike , hike, walk for health benefits.It would be wonderful: old world charm.....	Oct 1, 2013 9:13 PM
100	If possible, plant redwood trees. Rest areas should be shaded with roofs covered with solar panel, using compatible design locations to trees to avoid shading.	Oct 1, 2013 6:46 PM
101	"Separate" trails...separate from what?	Oct 1, 2013 6:12 PM
102	Can add few water fountains to entertain kids.	Oct 1, 2013 3:23 PM
103	lighted sports fields	Oct 1, 2013 2:43 PM
104	pay phone or some type of an emergency phone seperate trail for bike commuters in evenings, they go really fast and are disruptive to people who walk or dogwalk	Oct 1, 2013 1:26 PM

Page 2, Q2. Which of the following additional recreational uses at the Sunnyvale Landfill would you support?

105	Please keep it open, undeveloped space with little to no pavement. Housing animals and/or native gardens would be wonderful since there is little to none of that left in Sunnyvale..... Please don't develop it into playing fields and parking lots.	Oct 1, 2013 11:01 AM
106	Rc car parking lot or small designated area for remote control car use	Sep 27, 2013 11:57 AM

Page 2, Q4. Do you have any other comments or recommendations regarding the possibility of additional recreational uses of the Sunnyvale Landfill?

1	Let's leave the space alone. Let the landfill rest. Let the land rest. Let the bay rest. Let's give the bay creatures part of their quiet place to live back. The whole entire bay coast in Sunnyvale is covered w/ noisy activities. Although the softball fields are quiet sometimes, the unnatural light which can be seen from the Santa Cruz Mountains, disturbs the nocturnal and also disturbs those creatures who need dark to sleep. The only activity I would support is very restricted bird watching. I support designating a percentage of our city development for ecological reserve space. A requirement similar to the art requirement put on developers. Any city w/out open space turns into a concrete wasteland. Let's keep Sunnyvale a sunny vale as much as possible.	Oct 15, 2013 10:28 PM
2	AAH is a truly special organization that definitely brings smiles to all those who visit. I think they would be an asset to Sunnyvale.	Oct 15, 2013 10:12 PM
3	soccer fields are in demand and would be a well utilized purpose for the redevelopment.	Oct 15, 2013 9:39 PM
4	Keep it as natural as possible!	Oct 15, 2013 7:16 PM
5	Keep the Sunnyvale Landfill clean, safe and do not disturb the wild animals and birds in that surrounding area. Limit the biking route if possible.	Oct 15, 2013 6:50 PM
6	How about a really great indoor swimming facility?	Oct 15, 2013 6:47 PM
7	Protect wildlife and restore burrowing owl habitat on the landfill. Habitat should be at the top of the priority list. Any recreational development must be compatible with the protection of nature and burrowing owl habitat.	Oct 15, 2013 3:02 PM
8	I think a soccer field would be great, we don't have any quality fields in Sunnyvale and the closest ones are near Santa Clara. Anyone North of the El Camino needs to drive miles to attend soccer practices. You may even get more volunteers on that end of town. We don't need more baseball fields right now. Twin Creeks is down the block.	Oct 15, 2013 1:39 PM
9	Dog park! :)	Oct 15, 2013 1:24 PM
10	tennis courts, other sports, swimming pool,	Oct 15, 2013 12:26 PM
11	I wouldn't want to see anything designed for kids	Oct 15, 2013 12:08 PM
12	no housing or business development	Oct 15, 2013 11:49 AM
13	You need to focus on Softball. Sunnyvale Girls Softball is one of the largest leagues in the city and because of the presence of Twin Creeks for adult leagues, many of the city parks are dual use facilities, which leave the girls of Sunnyvale without the same field access as players from other cities.	Oct 15, 2013 11:31 AM
14	It would be great if Sunnyvale could build a lighted artificial turf field (similar to Palo Alto) to host soccer matches. Morgan Hill also has such a facility and it is highly successful. We could use this facility to host large soccer tournaments.	Oct 15, 2013 11:31 AM
15	I coach in girls Soccer and Softball. We have difficulty getting very many kids involved north of 101 in Sunnyvale due to lower income, needing to work	Oct 15, 2013 11:27 AM

Page 2, Q4. Do you have any other comments or recommendations regarding the possibility of additional recreational uses of the Sunnyvale Landfill?

	multiple jobs etc. This locations if some recreational fields were put in place may help to get more lower income kids involved.	
16	Additional sports fields for youth and adult activities should be considered.	Oct 15, 2013 10:18 AM
17	It should primarily be a nature experience and not a fully developed park.	Oct 15, 2013 8:34 AM
18	Thanks for opening up space for the public in Sunnyvale	Oct 14, 2013 10:06 PM
19	Don't overspend, keep it simple !	Oct 14, 2013 9:21 PM
20	Love the idea of a soccer park. And don't know if it there can be a joint project at all but the Santa Clara Sporting Soccer complex near the new 49er's stadium is looking for a new home. The current Santa Clara Soccer Complex will be, most likely, replaced with parking spaces so they are looking for a new home for a soccer complex. There may be some synergy between you. And note that I am not a Sunnyvale Resident but I am heavily involved in the Sunnyvale Alliance Soccer Club and know how much the city has supported us- thank you!	Oct 14, 2013 8:19 PM
21	The city could benefit from the new / pending requirements of SB43 requiring PG&E to source "community solar" projects.	Oct 14, 2013 8:01 PM
22	Tennis court and board for beginners to practice tennis would be a great addition to athletic fields. Play ground would be nice too.	Oct 14, 2013 7:57 PM
23	Make a sports complex different sports	Oct 14, 2013 7:38 PM
24	Sunnyvale really could use more soccer fields	Oct 14, 2013 7:19 PM
25	Build a fenced dog park for large dogs so that they have plenty of room to run and get exercise.	Oct 14, 2013 6:32 PM
26	move dog park in Las palmas park to other landfill	Oct 14, 2013 6:19 PM
27	Having worked in that general area in the past the methane off gasses smell so repugnant that I get physically ill inhaling the air. Before you turn this into any space to be used by people, especially kids, please study this closely. I would remove my kids from sports before I let them play in this environment.	Oct 14, 2013 6:09 PM
28	SASC	Oct 14, 2013 6:04 PM
29	It would be good if the final area were developed to look like Mountain View's Shoreline.	Oct 14, 2013 5:58 PM
30	Sunnyvale supports animal related busniesses, we have the most dog day care/boarding facilities around, yet the city continues to ignore residents suggestions, urging, requests for a space to let our dogs run without breaking city laws. It's not just about dog parks, it's about dog parks/spaces for small dogs vs. large dogs. We need a place specifically for large and small, not the same runs. Just like at careless boarding facilities/day care centers the dogs are broken into small breeds/large breeds for the safety of all dogs. Please consider doing this with some of the space.	Oct 14, 2013 5:31 PM

Page 2, Q4. Do you have any other comments or recommendations regarding the possibility of additional recreational uses of the Sunnyvale Landfill?

31	public water park/education center/museum (children and adult)	Oct 14, 2013 5:15 PM
32	Many children participate in soccer in Sunnyvale and we could use more fields. Also, running and walking trails are badly needed in Sunnyvale itself (we usually go to neighboring towns). Bike trails would be welcome, too. If you install these, you would need to add restrooms. Thanks!	Oct 14, 2013 5:05 PM
33	I am concerned about health issues that could surface later.	Oct 14, 2013 4:47 PM
34	community garden for sunnyvale residents ,	Oct 14, 2013 4:32 PM
35	this is a great opportunity to develop additional sports fields for Sunnyvale as they're often in short supply.	Oct 14, 2013 4:13 PM
36	There is a tremendous demand for athletic facilities in particular soccer in the City of Sunnyvale. Both youth and adult.	Oct 14, 2013 4:09 PM
37	Biggest concern would be safety of using the land. Anything "leaking" from the ground? Harmful gases, etc.	Oct 14, 2013 3:59 PM
38	More schools, bike riding and walking	Oct 14, 2013 3:59 PM
39	It would be nice to have another working farm in the area, or plots of land could be made available for low-income families to grow their own fresh fruits and veg.	Oct 14, 2013 3:51 PM
40	More recreational space for sports. Most of the Sunnyvale schools are building on the grass fields and we are running out of places to play soccer, baseball, volleyball and other active sports. We need to open up new places for people to have fun - not just have bike trails or walking trails with lots of dead space in between.	Oct 14, 2013 3:48 PM
41	Its very windy at that location - especially in the afternoons so its not a great location for baseball and soccer.	Oct 14, 2013 3:47 PM
42	Sunnyvale could make a lot of money renting out a turf field with lights to both youth and adult organizations, and that is one thing that is lacking in the city right now, since the Fremont and Homestead High fields are not being shared yet with the community	Oct 14, 2013 3:45 PM
43	just make sure there's plenty of parking. If parking is not convenient, then residents might not utilize as much as they want. Thanks for looking at this and everything that you do for the city. S	Oct 14, 2013 3:44 PM
44	Sunnyvale is suffering from a shortage of fields for youth team sports and many of the existing fields are in very poor condition -- more fields should be part of any additional usage.	Oct 14, 2013 3:39 PM
45	Sunnyvale multi-purpose fields make it difficult to play organized sports, especially year round. Additionally, unlike other cities, Sunnyvale does not have dedicated baseball fields at any level. Building athletic fields at the landfill would either give Little League and other leagues dedicated fields at the landfill or create more soccer/cricket/etc fields to allow for some of the current multi-purpose fields to be designated for single use such as baseball (since baseball	Oct 14, 2013 3:39 PM

Page 2, Q4. Do you have any other comments or recommendations regarding the possibility of additional recreational uses of the Sunnyvale Landfill?

	requires things like a diamond, mound, dugouts, fences, etc.).	
46	Youth soccer facility	Oct 14, 2013 3:37 PM
47	I think this would make a fabulous sports complex with additional amenities such as a sports bar or cafe in addition to the fields. Turf fields would be a huge bonus.	Oct 14, 2013 3:35 PM
48	The wide open space views at the Sunnyvale WPCP are very appealing to me, as a walker and birdwatcher. I love the fact that many bird species can be found here, throughout the seasons. Even the grassy landfill hills that might seem unattractive to some people are loved by birds like blackbirds, pipits, and burrowing owls. These species have very few other places to go nearby. Biking, hiking, birding, and jogging are all compatible. I would accept perhaps a dog park at one end of the property -- as long as there is enough parking for everyone and no lights. I absolutely HATE the idea of lighted athletic fields. The lights and noise that are present for so many hours at athletic fields in Sunnyvale and Alviso are very annoying. Hearing loud music and people cheering completely ruins any kind of nearby walk. For this reason I would never take a walk at Baylands Park on a weekend -- you can't enjoy nature when there are so many picnics going on. There are so few places in the valley to find peace and quiet, why ruin another one?	Oct 14, 2013 3:27 PM
49	This is valuable open space with a growing population of wildlife. All attempts must be made to protect this wildlife. Roads, buildings, dogs etc. are threats to wildlife. We have very little open space in our city. Let's protect this jewel as a wilderness park. Anything which enhances the public experience of walking in the landfill is good. A very appropriate model is the Baylands Park in Palo Alto.	Oct 14, 2013 2:21 PM
50	Please do not remove existing functionality of the site, as there are already several people who use the land recreationally. Instead, add functionality so everyone can enjoy the land together.	Oct 14, 2013 10:07 AM
51	Additional recreational uses should not impact the nature at the nearby wildlife refuge.	Oct 14, 2013 9:32 AM
52	I like having open space.	Oct 14, 2013 8:58 AM
53	Protect the critical wildlife habitat.	Oct 14, 2013 8:57 AM
54	I would improve the current hiking and walking trails. Add additional "points of interests", vista points w/ benches, etc.	Oct 14, 2013 8:28 AM
55	Yes, agree to help the burrowing owls that are being pushed out by business development. Those hills next to the recycling are the only undeveloped thing I can look at in this area, everything else is being covered by buildings	Oct 13, 2013 8:25 PM
56	Love the birds, the undeveloped feel of the land, the occasional hunters and fishers. The land is undeveloped commercially, and I hope it stays that way.	Oct 13, 2013 5:23 PM
57	Remove the dog park from Las Palmas & move to landfill area!	Oct 13, 2013 2:51 PM
58	The current Las Palmas park area is not appropriate, since it is too close to	Oct 13, 2013 8:22 AM

Page 2, Q4. Do you have any other comments or recommendations regarding the possibility of additional recreational uses of the Sunnyvale Landfill?

	homes, tennis courts and children's play areas. The Sunnyvale Landfill would be better for both dogs and children.	
59	Plant some trees along the Carribean side of those hills	Oct 13, 2013 8:10 AM
60	Don't build more sports fields or a farm here. There are so few untouched natural spaces left in the valley. Don't ruin this area with more building and construction.	Oct 13, 2013 7:28 AM
61	Most of the uses above are incompatible with wildlife preservation. Species such as Burrowing Owls are disappearing from Santa Clara County. Natural habitat should be preserved and protected. A solid plan for preserving species such as the Burrowing Owl should be established before making decisions that might preclude that objective.	Oct 12, 2013 9:14 PM
62	The dog park in the landfill area would bring a great relief to the Las Palmas Park area. My home borders the park; and , I am certainly hoping for relief from the hazards of so many dogs, especially the large dogs. Please take the hazards out of our neighborhood and include a large dog park in an appropriate location, the landfill area. Mary Vineca Done RN 874 Russet Drive	Oct 12, 2013 7:26 PM
63	Just love something like shoreline. That place is incredible.	Oct 12, 2013 3:35 PM
64	This area is home to several species of threatened birds, any development that is considered should take this into account.	Oct 12, 2013 2:21 PM
65	Bring something that supports disabled children like AAH! Sunnyvale has always been a leader! Keep it up!	Oct 12, 2013 12:35 PM
66	Please DO improve public safety with educational and directional signage, and perhaps even by adding full-time rangers; but DO NOT turn this place into a groomed, paved, sanitized city park.	Oct 12, 2013 9:13 AM
67	Methane reclamation plant	Oct 12, 2013 8:25 AM
68	Use the area for Educational purposes about renewables - methane gas - biofuels - water conservation - Xeriscape - update signage to explain the bay and the flora and fauna	Oct 12, 2013 7:27 AM
69	Develop the bird watching/marshland preservation aspects of the area, like the Don Edwards site in Alviso/SJ. This would be a good venue for school kids' field trips to learn about their environment, and also you would get lots of older adults in SV to volunteer . . .	Oct 12, 2013 5:53 AM
70	a non motor boat launch for folks to use the water	Oct 12, 2013 5:35 AM
71	remove some of the trails	Oct 12, 2013 1:08 AM
72	it's fine just like it is	Oct 11, 2013 11:27 PM
73	The landfill hills are home to abundant wildlife species and provide a corridor for their movement along the Bay. The landfill also preserves an important and dwindling habitat for many bird species, including egrets, hawks, grassland	Oct 11, 2013 7:50 PM

Page 2, Q4. Do you have any other comments or recommendations regarding the possibility of additional recreational uses of the Sunnyvale Landfill?

	species and burrowing owls. Therefore, the Sunnyvale Landfill should be left the way it is, especially since the Santa Clara Valley Audubon has been working with the City of Sunnyvale to bring back the burrowing owls. This is important! Please leave the landfill to the wildlife. People can go somewhere else!	
74	Please keep the baylands the way they are.	Oct 11, 2013 7:50 PM
75	I'm curious. Is this "landfill" made of garbage ? If so, I'm wondering about the toxins it contains.	Oct 11, 2013 7:12 PM
76	Is there methane and if so is there a capture system? If so, there should be, as methane is many times more a climate change gas than CO2.	Oct 11, 2013 6:56 PM
77	Needs more parking spots or an agreement with the water treatment facility to use theirs on the weekends (because theirs are empty on the weekends). Bike parking posts are needed where bicyclists and tricyclists could secure their bikes when they need to use restrooms, for example. Make sure bike paths are wide enough for tricycles.	Oct 11, 2013 6:42 PM
78	since the property is far from city traffic noise, and close to the marsh, consider adding a open hall with a roof (like in Ortega park)	Oct 11, 2013 5:23 PM
79	If sports fields are to be provided, please ensure that there is adequate parking and restrooms.	Oct 11, 2013 4:25 PM
80	I do not think that the landfill should be used for baseball and soccer fields. There are already numerous fields throughout the city already. A community farm and bike skills park are unique and as far as I know, there are no other existing farms or bike parks in Sunnyvale.	Oct 11, 2013 2:27 PM
81	Instead of adding or moving part of all of the dog park at Las Palmas Park, build one at the Sunnyvale land fill. This would take care of all the problems. None of the residents living near the park want an addition built on the grass of Las Palmas.	Oct 11, 2013 2:04 PM
82	I ask that you preserve the natural habitat and ask that a burrowing owl preservation plan be prepared and implemented prior to any other recreational uses and amenities are considered. I Propose that recreation and park enhancements be evaluated in light of their compatibility with the goal of preserving habitat and bringing burrowing owls back to Sunnyvale.	Oct 11, 2013 1:20 PM
83	Thanks kindly for reaching out to the community for our thoughts, very much appreciated!	Oct 11, 2013 1:00 PM
84	open space natural grass fields for on-leash training of tracking dogs, with reasonable use fee for sunnyvale residents only	Oct 11, 2013 12:20 PM
85	Work at Lockheed Martin Sunnyvale nearby and I support open space running!	Oct 11, 2013 12:15 PM
86	since i work a block away on Crossman, i do like to watch the trucks on the top of the mountain move dirt around.	Oct 11, 2013 11:44 AM
87	Funding should not come out of city coffers for this city. Non-profits should fund	Oct 11, 2013 11:43 AM

Page 2, Q4. Do you have any other comments or recommendations regarding the possibility of additional recreational uses of the Sunnyvale Landfill?

	its development.	
88	something like the Environmental Volunteers' site in the Palo Alto Baylands would be of interest to me	Oct 11, 2013 11:34 AM
89	The City has lost sight of the value of youth sports organizations. The times may be hard, but keeping the youths of Sunnyvale doing positive events are a vital part of all of our future. I would like to see the City be a more active member and not just a "rental" center.	Oct 11, 2013 11:07 AM
90	I am happy to see that there are so many options for the use of area founded upon environmental activities. You might need to add more roadways. Thank you	Oct 11, 2013 11:03 AM
91	do not tax us to death on this & do not put subsidized housing or low-income development	Oct 11, 2013 10:16 AM
92	No BMX biking or motorized vehicles.	Oct 11, 2013 10:11 AM
93	Santa Clara is looking to move its Youth Soccer Park (tournament level playfields) to make space for stadium parking. Sunnyvale could become the regional center for high level sports fields utilizing the open landfill area.	Oct 11, 2013 10:10 AM
94	Please don't disturb the burrowing owls. They are losing places to nest and it is important that we preserve land for them.	Oct 11, 2013 10:09 AM
95	Create a wildlife preserve for people to enjoy and relax, enhance the site with more native plants and create a burrowing owl preserve for the last few remaining owls that are left. This area should also be utilized as an educational lab for school children to learn about nature.	Oct 11, 2013 9:33 AM
96	To leave it as a natural habitat which will encourage further birding. I visit my daughter in Sunnyvale, and she, too, enjoys bird watching. It is also a place she enjoys walking in and visiting whenever she can, after work. (HP)	Oct 11, 2013 9:08 AM
97	I would recommend against anything that could impact the eco system for the birds.	Oct 11, 2013 8:56 AM
98	Even though I do not live in Sunnyvale, I work in Sunnyvale and use the landfill area for runs as to many other employees working close to the area.	Oct 11, 2013 8:33 AM
99	Move the smelly dog park at Las Palmas to the land fill	Oct 11, 2013 6:40 AM
100	How much methane gas is being emitted from this landfill? We need more of these surveys for other important issues like Raynor Activity Center (former public school) , Homeless shelter at Maude & Fair Oaks Ave. Also, Murphy Park, and the mistake of selling or giving away 3 properties that are city-owned and planned for the expansion of this small park. This mistake was done by Council members Griffith, Martin-Milius, Moylan, Spitalari.	Oct 11, 2013 6:12 AM
101	Nature preserve for birds and other animals	Oct 11, 2013 1:02 AM
102	Save the money and use the money to put the new Library in a better non	Oct 11, 2013 12:44 AM

Page 2, Q4. Do you have any other comments or recommendations regarding the possibility of additional recreational uses of the Sunnyvale Landfill?

	residential location. or at the park near Lowes where it is out of a closed area and everyone can find it.	
103	Please ensure fenced dog park has separate small and large dog areas.	Oct 10, 2013 11:21 PM
104	I would like to see the natural habitat of the landfill preserved. A burrowing owl preservation plan should be prepared and implemented prior to consideration of other recreational uses and amenities. Proposed recreation and park enhancements must be evaluated in light of their compatibility with the preservation of burrowing owl habitat and bringing the owls back to Sunnyvale.	Oct 10, 2013 10:59 PM
105	Keep it green and natural	Oct 10, 2013 10:45 PM
106	Since there is so much traffic already on that side of the highway from people trying to leave or enter Sunnyvale and Mountain View I would like to recommend that no place be developed that would require an increase in traffic in that direction during the early morning hours and late afternoon hours. Being a park and activity center would allow for traffic to enter this area and varied times throughout the day.	Oct 10, 2013 10:45 PM
107	Please protect wildlife and restore habitat. There are so few places left for the birds, owls, native plants and wildlife.	Oct 10, 2013 10:39 PM
108	I miss the trees that were recently cut down along Caribbean. It made the drive nicer having them there.	Oct 10, 2013 10:30 PM
109	Yes the habitat should be a PRIORITY. With all due respect, this shouldn't be a complicated issue. This is one of the last places they have to live.	Oct 10, 2013 9:50 PM
110	Anything that is family oriented would be perfect for this area, such as a picnic area, walking trails, and places for different sports.	Oct 10, 2013 9:20 PM
111	keep it natural; otherwise, the birds will be relocated.	Oct 10, 2013 9:15 PM
112	Please build something that has character. I would love to see some public art, gardens, walk/bike paths. Something different than Baylands that would be complementary. While I love baylands, I've found that we're going to Mountain View's shoreline park, or San Antonio parks. They are different. Another example is the Stanford Dish Hike...all have a unique character about them.	Oct 10, 2013 9:15 PM
113	Protect burrowing owls	Oct 10, 2013 9:13 PM
114	Keep it natural!	Oct 10, 2013 8:57 PM
115	Right now this is land that can be used for free by community members. I don't think it should be turned into someplace where there will be a charge to use it. Just adding a bunch of trees to the current landfill land would be a vast improvement.	Oct 10, 2013 8:40 PM
116	Golf	Oct 10, 2013 8:33 PM
117	This place has great potential for both walking/hiking /running as well as enjoying great views of the South Bay. Returning this land to its natural state could only	Oct 10, 2013 8:12 PM

Page 2, Q4. Do you have any other comments or recommendations regarding the possibility of additional recreational uses of the Sunnyvale Landfill?

	enhance this experience. Another benefit is that many of the fauna/flora that lives in this type of habitat will return to it including the Burrowing Owl, a species of concerns in the SF Bay area.	
118	Please create a paradise for birds	Oct 10, 2013 8:06 PM
119	I'm a 5-year employee of a large company that has been located in Sunnyvale for many years, so what happens in Sunnyvale is important to me. I'm also a long-time member of Santa Clara Valley Audubon Society and am particularly concerned about the bird life at the landfill, adjacent water-treatment plant, and at Sunnyvale Baylands. Please complete the burrowing owl preservation plan and have that plan in place before any development is done at the landfill. These owls are a threatened species in Santa Clara County, so any development desired must take second place to protecting owl habitat.	Oct 10, 2013 7:54 PM
120	I rave about our dump walks to my friends. My grandchildren and I used them for years.	Oct 10, 2013 7:38 PM
121	Large off leash dog area	Oct 10, 2013 7:27 PM
122	Leave it wild like it is now.	Oct 10, 2013 7:19 PM
123	I do not support anything being done in this park that would make the land uninhabitable for the current populations of Burrowing Owls and Jack Rabbits. These are struggling species due to over development. Please make preservation and wildlife protection Sunnyvale's first priorities. Please consult with and implement the practices of other cities such as Mountain View regarding ways to do this successfully.	Oct 10, 2013 7:08 PM
124	Keep dog parks out. Keep traffic out. It's one of the few undeveloped pieces left in Sunnyvale. Please let it be rustic and ignored from SV traffic.	Oct 10, 2013 7:07 PM
125	Tennis courts	Oct 10, 2013 7:07 PM
126	I will support most recreational uses as long as it does not have a negative impact on the environment and does not increase pollution of any kind (including noise pollution). Also, uses should be of benefit to a majority of the general population and not to just a specific segment, e.g. dog owners. (I don't understand what a "bike skills park" is all about.)	Oct 10, 2013 7:00 PM
127	There needs to be open space, and a wildlife haven!! It does not need to be built up and covered in lawn and skateboard parks!!! We don't want that!!	Oct 10, 2013 6:48 PM
128	Any additional uses would likely cause wildlife losses and habitat degradation. Please leave this site in as natural a state as possible. There is already far too much habitat loss. Burrowing owls depend on natural habitat.	Oct 10, 2013 6:14 PM
129	The natural habitat at the sunnyvale landfill should be preserved and utilized for burrowing owl preservation along with the implementation of a burrowing owl preservation plan. Any proposed recreation and park enhancements must be evaluated in light of their compatibility with the goal of preserving habitat and bringing burrowing owls back to Sunnyvale.	Oct 10, 2013 6:10 PM

Page 2, Q4. Do you have any other comments or recommendations regarding the possibility of additional recreational uses of the Sunnyvale Landfill?

130	No additional funds should be allocated for the project nor city employee hired to maintain it	Oct 10, 2013 5:49 PM
131	Please leave this area alone, and allow for the Burrowing owl to survive. This is much more important to our children than another petting zoo. The burrowing owl is unique and endangered. There are other bike trails and dog parks. There may not be any more burrowing owls.	Oct 10, 2013 5:23 PM
132	Equestrian program for DPS. Love to see a Sunnyvale DPS Mounted unit!!!	Oct 10, 2013 5:22 PM
133	There are already plenty of places for people to jog, walk, bike, play sport games, etc. We would like an open space to simply be out in the environment to get some healthy exercise walking our dogs (or just walking ourselves) without all the fences and limited mobility that is built in to other such places we have encountered.	Oct 10, 2013 5:22 PM
134	How will you determine if spending taxpayer money is a wise move for such under utilized and inconvenient location ? There is currently not enough neighborhood park space and equipment for children at the existing city parks. Eg why are there only 4 swings at Ortega park? Parks are packed on the weekends and late afternoons.	Oct 10, 2013 5:18 PM
135	Conduct a cost benefit analysis to prevent further unnecessary and wasteful spending.	Oct 10, 2013 5:10 PM
136	I currently live in San Jose and am in the market for a house in Sunnyvale. I chose Sunnyvale because there is much more nature. I really hope that the city will consider the integration of fragile wildscapes with public use with utmost care.	Oct 10, 2013 4:53 PM
137	Put some sort of motosports track	Oct 10, 2013 4:49 PM
138	We need to ensure that the site is environmentally sound and healthy for people and animals to congregate. We do not want to have too many businesses, which are encroaching our residential space (e.g., parking spills over from commercial space parking lots to residential streets). That is too much pro-business. The balance has been tilted towards the pro-business side for over 10 years. we need more parks and green space.	Oct 10, 2013 4:49 PM
139	I like the options you presented	Oct 10, 2013 4:47 PM
140	Parking is already iffy at times. So if some sort of heavy use facility was to be put in, which I do not favor, you need a boatload more parking.	Oct 10, 2013 4:45 PM
141	Wildlife or bird watching center. Nature center. Parkland similar to Shoreline.	Oct 10, 2013 4:43 PM
142	the natural habitat should be preserved and ask that a burrowing owl preservation plan be prepared and implemented prior to any other recreational uses and amenities are considered. Proposed recreation and park enhancements must be evaluated in light of their compatibility with the goal of preserving habitat and bringing burrowing owls back to Sunnyvale.	Oct 10, 2013 4:33 PM
143	No entrance fees (i.e. Baylands)	Oct 10, 2013 4:15 PM

Page 2, Q4. Do you have any other comments or recommendations regarding the possibility of additional recreational uses of the Sunnyvale Landfill?

144	Remote Control Airplanes. We can use the field for flying our airplanes!	Oct 10, 2013 4:08 PM
145	Please protect wildlife and restore burrowing owl habitat on the landfill. Wildlife habitat should be at the top of the priority list. Recreational development needs to be compatible with the protection of nature and burrowing owl habitat.	Oct 10, 2013 4:04 PM
146	Golf course	Oct 10, 2013 4:03 PM
147	Don't build anything other than restrooms.	Oct 10, 2013 3:59 PM
148	AAH would be an awesome addition to the Sunnyvale Community. So many demographics would benefit!	Oct 10, 2013 3:54 PM
149	Does this land has to be used for recreational use? 93 acres is a lot of space. Why not get businesses like storage, go-downs, car lots (may be) etc. which are enclosed facilities (not effected by smell/odor) and free up prime spaces in the city?	Oct 10, 2013 3:52 PM
150	Please provide animal related activities. either well equipped dog park for different size dogs... agility equipment... also .. off leash area for dogs to hike with owners. No more soccer or baseball. Sports groups use the Sunnyvale School Yards for these activities.. they can use parks and school yards..children have playgrounds in parks and school yards Dog owners have very small inadequate park like settings. Most dog owners own property and would enjoy sharing the community with their k9s Thank you..	Oct 10, 2013 3:52 PM
151	Can the huge mountain be leveled? It seems out of place by the Bay.	Oct 10, 2013 3:46 PM
152	Question: How will it be determined whether the area previously used for land fill is safe for the proposed uses?	Oct 10, 2013 3:40 PM
153	I think this type of use is an excellent idea. Good for you.	Oct 10, 2013 3:39 PM
154	Sunnyvale needs a Sports Complex other than twin creeks	Oct 10, 2013 3:38 PM
155	Playground area or other physical fitness area for children and families	Oct 10, 2013 3:38 PM
156	This is no safe ground for animals to be on, shape objects, toxic dirt.	Oct 10, 2013 3:35 PM
157	Please make minimal modifications to the area as far as possible. Wildlife benefit from the undeveloped open space and the endangered Burrowing Owl makes its home at the landfill. Thank you for your consideration.	Oct 10, 2013 3:14 PM
158	Kite flying areas.	Oct 10, 2013 2:36 PM
159	Yes, I know a landfill is not a natural environment. But, leave it as un-modified as possible. Leave it as bay lands as possible	Oct 10, 2013 2:30 PM
160	I enthusiastically support the idea of Animal Assisted Happiness (AAH) community animal farm. Thank you for everything that you do for our city. I love Sunnyvale.	Oct 10, 2013 1:21 PM
161	Sunnyvale really needs to develop a proper athletic center that has fields that	Oct 10, 2013 12:18 PM

Page 2, Q4. Do you have any other comments or recommendations regarding the possibility of additional recreational uses of the Sunnyvale Landfill?

	can be played on when wet. Too often Parks and Rec has closed fields for days even though the weather is sunny and the fields are now dry. As a resident I get the expenses associated with park maintenance but having an athletic center with multiple turf fields that require little maintenance would serve our community well.	
162	Boarding owls habitat	Oct 10, 2013 11:53 AM
163	The current landfill is a valuable resource for resident or partially-resident birds and provides a valuable pathway and resting spot for migrating birds. Further "recreational" uses will prevent birds and other wildlife from these uses and will have an overall detrimental effect on SF Bay wildlife, in particular the endangered Burrowing Owl. I currently visit this site once or twice a month all year and five to six times a month in the Spring and Fall and would be very disappointed in its destruction as a birdwatching site.	Oct 10, 2013 11:44 AM
164	The natural habitat needs to be preserved, and a burrowing owl preservation plan be prepared and implemented before the City considers any other recreational uses. These birds used to be numerous but are now facing extinction in California, if current habitat loss continues. I don't live in Sunnyvale, I live in Santa Clara but go bird watching at the landfill frequently and want to see it's bird habitat preserved.	Oct 10, 2013 11:28 AM
165	Please complete a burrowing owl preservation plan before doing any further development at the Sunnyvale Landfill. Evaluate all proposed development plans in light of the burrowing owl population, and recognize that protecting threatened species must take priority over any development at the site.	Oct 10, 2013 11:15 AM
166	Regarding dogs - full dispenser of biodegradable bags for poop pick up would be appreciated at key locations like the beginning of access where dogs are permitted. I fully support having a new offleash dog park there & it would make it enjoyable if there was shaded benches for the owners, plus a drinking water source for both dogs & owners.	Oct 10, 2013 10:55 AM
167	Let the wildlife be! Add some more burrowing owl homes for the burrowing owls.	Oct 10, 2013 10:31 AM
168	Please make sure that the Burrowing Owl plan is completed before you define other uses for the landfill.	Oct 10, 2013 10:23 AM
169	I strongly oppose athletic fields for this site for the reasons detailed above.	Oct 10, 2013 10:05 AM
170	It's good to have open spaces being used for the community. Running paths, Dog parks are needed	Oct 10, 2013 9:37 AM
171	Instead of a farm right next to the Bay, we need to be restoring habitat and encouraging people to learn about the natural Bay habitat that is part of this special area. This area should not be developed for soccer fields or a farm, it should be preserved for habitat with interactive trails so that people can learn and view habitat.	Oct 10, 2013 8:39 AM
172	I live next door in Santa Clara and frequent this area routinely. I would like to see this burrowing owl habitat site protected instead of developed.	Oct 10, 2013 8:12 AM

Page 2, Q4. Do you have any other comments or recommendations regarding the possibility of additional recreational uses of the Sunnyvale Landfill?

173	I live nearby and value this space for birding and walking.	Oct 9, 2013 11:18 PM
174	Wildlife habitat. Please complete the planned burrowing owl preservation plan prior to adopting any plans for the landfill.	Oct 9, 2013 10:58 PM
175	Please support a humane treatment of any cat populations (i.e. TNR program)	Oct 9, 2013 10:49 PM
176	My husband has been working at Northrop Grumman in Sunnyvale as its technical editor for the past five years and appreciates the landscape of this area. We are both long time members of Santa Clara Valley Audubon Society. The natural habitat should be preserved and a burrowing owl preservation plan be prepared and implemented prior to any other recreational uses and amenities. Proposed recreation and park enhancements must be evaluated in light of their compatibility with the goal of preserving habitat and bringing burrowing owls back to Sunnyvale. Carilyn Straub Steve McHenry San Jose/Sunnyvale	Oct 9, 2013 9:53 PM
177	Please keep it wild. We have so few spaces left in the bay area. It is refreshing to see minimally altered landscapes and the wild critters who depend upon them, and trails where we can tread on dirt.	Oct 9, 2013 9:37 PM
178	I hike and birdwatch there frequently and occasionally trail-run. I enjoy biking but would like the baylands to remain bird-friendly.	Oct 9, 2013 7:47 PM
179	Support preserving the natural habitat for a variety of species.	Oct 9, 2013 7:29 PM
180	Take care of the burrowing owls.	Oct 9, 2013 6:49 PM
181	Would prefer that the space be used by the . largest percentage possible of Sunnyvale residents and the "burrowing owl" issue has a very small percentage of Sunnyvale residents that would be involved.	Oct 9, 2013 6:36 PM
182	I would like the Burrowing Owls to have a space to live without humans interfering.	Oct 9, 2013 5:45 PM
183	It is a terrific area that I hope can be developed for recreation in a manner of minimal physical development; that is, without destroying the natural environs. I work nearby, but I am not a Sunnyvale resident. cheers, Eric	Oct 9, 2013 5:29 PM
184	Although I don't live in Sunnyvale, I do visit the landfill regularly because it is such a great spot for birding. As a birder, I respectfully request that the natural habitat be preserved and that a burrowing owl preservation plan be prepared and implemented prior to any other recreational uses and amenities are considered. Proposed recreation and park enhancements must be evaluated in light of their compatibility with the goal of preserving habitat and bringing burrowing owls back to Sunnyvale.	Oct 9, 2013 5:13 PM
185	An Armchair Activist representing the Audubon Society and their desire to bring back burrowing owls sent out this link directing people to complete it in a manner favorable to restoring the owl's habitat. The only burrowing owls I've ever seen were up at Pete's Harbor in Redwood City. Maybe they know something I don't but keeping the space open for owls that may never show up seems ridiculous to	Oct 9, 2013 4:59 PM

Page 2, Q4. Do you have any other comments or recommendations regarding the possibility of additional recreational uses of the Sunnyvale Landfill?

	me.	
186	There are several other neighboring sites with great potential recreational use. I would like to discuss with people in charge.	Oct 9, 2013 4:43 PM
187	Please preserve burrowing owl habitat.	Oct 9, 2013 4:41 PM
188	It may smell for any other recreational activities. I use tge smart station and the smells travel.	Oct 9, 2013 4:37 PM
189	Dogs need a fenced Large and Unimproved area to run off leash. Very little needs to be done to make this happen, just some additional fencing and a double gate to already part fenced areas. Behind the haz mat area and in front of the smart station fit the description. The area is needed for larger dogs since they get very little run time at Los Palmas. Even a water line is not needed as owners tend to bring water for their dogs.	Oct 9, 2013 4:32 PM
190	No dogs! The nicest part of the park is the presence of birds and other wildlife. My children have seen a jack rabbit, squirrels, and what look like prairie dogs, as well as all sorts of water fowl. We don't need more places for people to walk their pets; we need more open space for real wild life.	Oct 9, 2013 4:26 PM
191	Paintball Arena	Oct 9, 2013 4:08 PM
192	Preserving the burrowed owls should be first and foremost. I can take my children to othe parks and fields but once the owls are extinct we can't get them back. I'd much rather expose my children to wildlife and the importance of preservation - we can always have more parks but we are fortunate that Shoreline is near. Let the owls have their home please.	Oct 9, 2013 3:18 PM
193	Burrowing Owl habitat.	Oct 9, 2013 3:16 PM
194	Natural habitats should be preserved!	Oct 9, 2013 3:09 PM
195	My husband and I enjoy walking/birdwatching at the Sunnyvale landfill. We believe the landfill should be kept as is, closest to a natural state as possible. We prefer that this area is not open to dogs, pets, farm animals. Moreover, does Sunnyvale really want to take on the responsibility and liability of a children's farm? There have been many outbreaks/incidents associated with such farms and petting zoos. For example, see Centers for Disease Control information at: http://www.cdc.gov/mmwr/preview/mmwrhtml/rr5805a1.htm	Oct 9, 2013 2:59 PM
196	I hope you finish an evaluation of wildlife habitat preservation (esp regarding the burrowing owl, but also other species of wildlife) before intensifying human use there.	Oct 9, 2013 2:54 PM
197	Keep it natural.	Oct 9, 2013 2:20 PM
198	I'm in favor of opening city land as long as it is safe and incurs no more initial and maintenance and security cost than is reasonable.	Oct 9, 2013 1:25 PM
199	I do not support any project that involves large capitol expenditures for "permanent fixtures" because of impending sea level rise. If in 50 years the	Oct 9, 2013 12:39 PM

Page 2, Q4. Do you have any other comments or recommendations regarding the possibility of additional recreational uses of the Sunnyvale Landfill?

	moderate expenses related to the above mentioned recreational facilities are lost we will have gotten our money's worth out of them.	
200	Depending on the use the appropriate infrastructure would need to be put in place such as sufficient parking and restrooms. It would be a shame to have the recreational facilities but restrict the number of people that could use them. Some uses don't make sense because of the proximity of Baylands park down the street. This would be an excellent place for a dog park rather than converting existing parks to dog parks.	Oct 9, 2013 12:16 PM
201	would like the area for more of a shoreline mountain view park feel/ more watering areas would be appreciated	Oct 9, 2013 11:36 AM
202	I THINK SUNNYVALE NEEDS A SPORTS COMPLEX TO SUPPORT THE DIFFERENT KINDS OF SPORTS THAT ARE PLAYED IN SUNNYVALE. SOME OF THE CITY FIELDS ARE ATTACHED TO SCHOOLS AND USING THEM FOR RECREATIONAL USE DOESNT ALWAYS WORK WELL WITH SCHEDULES.	Oct 9, 2013 11:33 AM
203	If a farm is added, could 4h and future farmers of America also us it? These are great organizations and very educational. Please contact 4h and future farmers of America for their input.	Oct 9, 2013 11:22 AM
204	Do something more than what is there now.	Oct 9, 2013 9:32 AM
205	A small boat launch ramp for residents to get access to the bay,	Oct 9, 2013 8:17 AM
206	Community farming or farmer market space	Oct 9, 2013 12:06 AM
207	Regardless of what our studies may tell us today, we really don't know what toxic materials will make your way into the soil and air around the landfill, particularly if conversion to a recreational facility requires any development. Please don't expose the residents of sunnyvale, and children in particular to this environmental risk.	Oct 8, 2013 10:46 PM
208	AAH farm sounds nice, as well as keeping a lot of the open space and current character.	Oct 8, 2013 10:22 PM
209	Community garden, vegetable and flower.	Oct 8, 2013 8:33 PM
210	I think with the appropriate fencing it has the potential to be a great dog park. There should be enough space so the dogs can actually run. It would also ease up the pressure to establish dog parks in residential parks where space is at a premium and there are use conflicts.	Oct 8, 2013 5:40 PM
211	Veto anything that involves additional automobile traffic	Oct 8, 2013 5:36 PM
212	This sounds like a great idea! I hope that AAH will be able to hold events here!	Oct 8, 2013 5:30 PM
213	In addition to trails and other generic park-like enhancements, I would very much appreciate sidewalks on all streets adjoining the landfill. For example, many times in the past I have run along Caribbean from Crossman to 1st/Bordeaux and have struggled with the lack of sidewalks in that area as traffic often moves	Oct 8, 2013 3:52 PM

Page 2, Q4. Do you have any other comments or recommendations regarding the possibility of additional recreational uses of the Sunnyvale Landfill?

	at a high rate of speed. I am not a Sunnyvale resident but I work about 3 1/2 miles away in North Santa Clara. Thanks for your consideration.	
214	4X4 for 4 wheel drive vehicals	Oct 8, 2013 2:54 PM
215	This is some of the last "wild" space left in Sunnyvale. As much as I could support these other uses in other parts of the City, I hope that we will leave this resource alone. Let's allow the wildlife to flourish in one of the last more natural spaces left in this urban area. Since the space is already used for hiking and some through traffic, perhaps we could consider supporting these uses, but not expanding them. Please, definitely NO dog park, athletic fields, or bike skill areas. Let's look for other places for these and AAH, places that have already been developed. (Other special places have also turned them down, with good reason.) If we do allow AAH, it should be on an edge of the space near what is already developed, not in the middle of a natural area.	Oct 8, 2013 11:42 AM
216	The Bay Trail passes very close to this park. It is quite easy to lose the trail. Better marking for the Bay Trail would be desirable.	Oct 7, 2013 8:03 PM
217	Should have continued use for sheep and goats to mow long grass. Have an animal preserve for abandoned large animals, or removed from abusive homes. Design a children's sustainable teaching garden, walkways and craft hut for field day expeditions.	Oct 7, 2013 2:12 PM
218	Must respect the environment including the bay and its inhabitants -- no trash, no habitat destruction, no hunting. Restrooms must be available. Safety: Must provide means to call for help, if needed. The area is large and off the beaten path and thus a magnet for drugs, gangs, robberies, burglaries, and assaults.	Oct 4, 2013 1:22 PM
219	please make certain we protect the environment with any additional recreation. We have very little open space that is natural or close to natural along the bay.	Oct 3, 2013 4:15 PM
220	Work with a partner to develop a multifiield sports complex.	Oct 3, 2013 12:43 PM
221	I prefer a community animal farm, as my first choice	Oct 3, 2013 12:35 PM
222	The city of Sunnyvale a few months ago voted to prioritize the preparation of a Burrowing Owl Preservation Plan for the Sunnyvale landfill and the Sunnyvale Baylands. As such, a burrowing owl preservation plan should be prepared and implemented prior to any other recreational uses and amenities are considered. Proposed recreation and park enhancements must be evaluated in light of their compatibility with the goal of preserving habitat and bringing burrowing owls back to Sunnyvale.	Oct 3, 2013 10:46 AM
223	It would be nice to give it a park like feel with trees, shrubs and benches to sit on.	Oct 2, 2013 7:10 PM
224	Outdoor workout equipment and swings for adults.	Oct 2, 2013 7:06 PM
225	Summer city festivals, carnivals, fairs etc.	Oct 2, 2013 6:48 PM
226	Where's the parking going to be for any activities?	Oct 2, 2013 6:24 PM

Page 2, Q4. Do you have any other comments or recommendations regarding the possibility of additional recreational uses of the Sunnyvale Landfill?

227	I am glad to have access to hiking along the bay without parking fees. Let's keep ahold of the open space!	Oct 2, 2013 6:09 PM
228	Set aside space for burrowing owls, which Mtn View is driving out the more Google expands	Oct 2, 2013 5:13 PM
229	Community garden, skate boarding park	Oct 2, 2013 4:43 PM
230	Please stop development, this is a bird sanctuary, open space and jewel to the South Bay. With more and more development the area will only shine more. Let's keep it that way.	Oct 2, 2013 2:33 PM
231	Please convert it to a natural area like Ulistac in Santa Clara	Oct 2, 2013 2:06 PM
232	More trails, but i like it the way it is.	Oct 2, 2013 2:01 PM
233	An effort should be made to develop a trail network in Sunnyvale similar to what San José has done along its waterways. Along with the opportunity to further develop our trails and recreational resources along the bay, we should be looking at our West and East channels, particularly as the East channel intersects the John Christian Greenbelt on the way to the bay. The sections of the Bay Tail in Mountain View would be a good model for how to develop our sections.	Oct 2, 2013 1:53 PM
234	I love the idea of adding recreational space on the north side. A park that includes any combination of hiking/biking/ running trails, dirt biking, dog area have my support.	Oct 2, 2013 1:49 PM
235	Please fund, prepare and implement a burrowing owl and wildlife habitat plan before proceeding with other ideas. Please consider each and every proposed project in terms of compatibility with the preservation and protection of habitat and burrowing owls. Only projects that are compatible should be allowed to move forward.	Oct 2, 2013 12:08 PM
236	Twin Creeks is nearby, so more athletic fields doesn't make sense.	Oct 2, 2013 9:07 AM
237	I think a cafe with a view of the park with bay in background would be popular and profitable. We can surely do better than Mountain View's Shoreline Cafe or The Lookout. Where else nearby can one relax with a view of an expanse of green?	Oct 2, 2013 8:31 AM
238	The landfill area should remain as a passive open space area that would be free to users. To accommodate users it would be helpful to provide more parking for automobiles as the area is not close to public transit. In my opinion the nearby Baylands Park is more suited for active uses mentioned in question #2.	Oct 1, 2013 11:38 PM
239	I understand that landfill is not a natural habitat, but I would like to see the area remain as natural as possible. I do not advocate for a Dog Park or motorized vehicles. I do think a place for Rest rooms makes sense if we are going to allow people to walk and bike the area.	Oct 1, 2013 10:36 PM
240	Please address the inequalities and special treatment given to the Soccer Groups!!!!	Oct 1, 2013 10:08 PM

Page 2, Q4. Do you have any other comments or recommendations regarding the possibility of additional recreational uses of the Sunnyvale Landfill?

241	A place for doing proof of concept eco-friendly projects?	Oct 1, 2013 10:04 PM
242	There is so little wild land left. If you can put the AAH area somewhere on the perimeter, where it won't affect this, that would be ideal. I know how wonderful AAH is.	Oct 1, 2013 9:16 PM
243	An animal Farm in the midst of trails:it would be so unique and wonderful	Oct 1, 2013 9:13 PM
244	The area should be returned as much as possible to its natural state but still provide some opportunity for people to enjoy the natural surroundings limiting as much as possible the environmental disruption. Some parts are damaged sufficiently already that I don't think a few restrooms or benches would be that much of a problem. Nor a few walking and biking trails especially on the levees.	Oct 1, 2013 9:06 PM
245	In addition to removing habitat, an animal farm WILL absolutely attract additional generalist predator species (Ravens, American Crows, coyotes, raccoon, skunks, etc.) which WILL negatively impact (i.e. kill, harm, harass) sensitive wildlife species already highly restricted by almost complete urbanization of the upland habitats surrounding wetlands of the South Bay. These predators will also affect nearby sensitive wetland species, many which have legal protection. At some point, there needs to be a balance between natural amenities and urban uses. I hope that the Sunnyvale City Council agrees that additional urban uses of upland habitats surrounding the South Bay wetlands upsets that balance.	Oct 1, 2013 8:54 PM
246	I am fully in support of AAH relocating there. I don't think a dog park is a good idea and I think it should still be a place where animals can safely live.	Oct 1, 2013 7:36 PM
247	I am familiar with AAH and it is an outstanding organization.	Oct 1, 2013 7:25 PM
248	I hope that any design will have a minimal cost of ownership	Oct 1, 2013 6:46 PM
249	Don't put too much, don't overdo it. Keep it simple.	Oct 1, 2013 6:12 PM
250	water access for kayaking etc would be nice!	Oct 1, 2013 6:09 PM
251	Nature and quiet only, NO dogs!	Oct 1, 2013 4:55 PM
252	Would a community garden or demo. Composting area be feasible?	Oct 1, 2013 4:48 PM
253	leave it alone. find another place for the kid's zoo.	Oct 1, 2013 4:44 PM
254	Please do not put in any high density activities down there. It is the "real" open space left in Sunnyvale. Plus there are only 10% of the wetlands/marshes left for the entire SF Bay Estuary. Further disruption/development will only decrease the natural value and environmental services that this area supports.	Oct 1, 2013 4:29 PM
255	I am no longer a Sunnyvale resident, but I live in Mountain View and bicycle commute through Sunnyvale to Santa Clara on a regular basis. Thanks!	Oct 1, 2013 3:36 PM
256	Be sure to tie in the developments with other trails and green spaces nearby - i.e. maintain and develop thru-biking and thru-walking. Keep the bay connected! :)	Oct 1, 2013 3:33 PM

Page 2, Q4. Do you have any other comments or recommendations regarding the possibility of additional recreational uses of the Sunnyvale Landfill?

257	Maintaining natural plants and not invasive species. Keeping it nature friendly and doing what we can to keep the critters that have made it their home safe.	Oct 1, 2013 2:12 PM
258	I heard a presentation on the Animal Assisted Happiness, and I was very impressed. I no longer support a lot of paved motorized vehicle roads, nor the dog park because I didn't realize how they negatively impacted the bird population.	Oct 1, 2013 1:34 PM
259	Test AAH for its effect on local wildlife to ensure it is compatible before going into a longer term contract with them.	Oct 1, 2013 1:29 PM
260	Please protect the burrowing owls and other native habitat.	Oct 1, 2013 1:02 PM
261	How will we pay for any of the options above? The city budget is a mess, there isn't any money. Our streets are in terrible shape. Look at Fremont Ave between Wolfe and Sunnyvale-Saratoga. I have to strategically drive on this street to avoid all of the potholes. El Camino is a similar situation.	Oct 1, 2013 12:46 PM
262	I would not be in favor of any new recreational uses that raise the noise level in the area in general. More specifically, I would not be in favor of allowing motorized vehicles (including remote control airplanes) for recreational use.	Oct 1, 2013 11:51 AM
263	keep it as natural and undeveloped and manicured as possible.	Oct 1, 2013 11:01 AM
264	I am an avid bike rider but the trails end without notice, we could really use some directions to get the biker to the next bike trail. The trails are great but do not all connect, they would be used way more often if they could get connected somehow.	Oct 1, 2013 10:48 AM
265	Keep it simple.	Oct 1, 2013 10:32 AM
266	Other than some conveniences like benches and the like, LEAVE IT ALONE.	Oct 1, 2013 10:20 AM
267	Just an awesome dog park	Oct 1, 2013 9:58 AM
268	It seems a no-brainer to me to use the area for community recreation. I would support.	Oct 1, 2013 9:58 AM
269	burrowing owl preserve migratory stop-over for birds enhance habitat for birds	Oct 1, 2013 7:02 AM
270	AAH is a wonderful organization that would be a fantastic asset for Sunnyvale	Sep 30, 2013 9:48 PM
271	I am 100% in support of this site being used as the next location for Animal Assisted Happiness. I have been a long time supporter of AAH because I believe in their cause. Their commitment to community, children, senior citizens and animals is like none other I have experienced. I am a proud supporter of AAH and believe that their organization being able to use this site to continue their efforts will continue to strengthen this community.	Sep 30, 2013 9:23 PM
272	AAH is a wonderful organization that brings joy to many less-fortunate people.	Sep 30, 2013 8:28 PM
273	Anything that would co-exist nicely with Animal Assisted Happiness would be great!	Sep 30, 2013 8:25 PM

Page 2, Q4. Do you have any other comments or recommendations regarding the possibility of additional recreational uses of the Sunnyvale Landfill?

274	AAH would be a good use for the land. AAH would fill the void of a much needed local resource for the community who have family members with disabilities. AAH would also provide an element of the past (farm animals) for the community to enjoy. AAH can also provide volunteer opportunities for teen youth in the community.	Sep 30, 2013 8:23 PM
275	i think AAH would be very beneficial to the community,not only is it a great and worthy organization it really does help bring the community together in an attempt to help others	Sep 30, 2013 8:19 PM
276	This is the last "wild" place in Sunnyvale. It is home to abundant resident wildlife and it is a corridor for predators and migrants that merits preservation and protection. However, because the capped landfills here are also immediately adjacent to a 24/7 Water Pollution Control Plant (WPCP), a 24/7 FAA radar tower, a string of PG&E towers, and many other vital services, it is not simply a 'nature zone'. Therefore there are public safety and access issues that must not be ignored in any development plan for the landfills because increased traffic and use WILL spread to these adjacent areas. Adding Animal Assisted Happiness (AAH) could be nice, but doing so without taking the nearby levee network into account would be a serious mistake. Currently there is no well thought-out signage and trail maintenance system for the public that applies to both the landfill AND what lies beyond on the levees, and in my opinion one is desperately needed. (I volunteer to help!) With the enormous increases in business, residential, and recreational development nearby in the last several years, (NetApp, Juniper, Yahoo... Apartments and Townhomes along Lawrence, Tasman, and Fair Oaks...the opening of the Bay Trail...), pressure on the undeveloped region surrounding the WPCP has only increased. Add this to the fact that there is very little patrol or enforcement in this area, and for many years a steady climb in bad behavior has been the result. That climb will continue if development of the landfill comes to pass without a coordinated plan to educate people and enforce appropriate behavior on the adjacent levees. I have visited this area 5 -6 days a week for almost 18 years and recently attended two public meetings about this study issue where an overwhelming majority of citizens express guarded openness to the AAH facility, as long as the area stays wild. The people who attended these meetings did NOT want to see the area go to the dogs or the bikes or to groomed playing fields. Please DO improve public safety with educational and directional signage, and perhaps even by adding full-time rangers; but DO NOT turn this place into a groomed, paved, sanitized city park. Sunnyvale is plenty-techy. Residents here need a way and a place to connect with nature where they live. This is that place. Yours Very Sincerely, --Kira Od	Sep 30, 2013 3:44 PM
277	AAH sounds like a fine company but do NOT want to see it take up space at the Sunnyvale Dump. Leave the 'natural' areas natural !	Sep 30, 2013 12:04 PM
278	I consider the S/V landfill to be a very special place. In its current state, it provides both areas for various recreational uses as well as wildlife habitat. The serious modifications listed in question 2 will bring in more car traffic and destroy wildlife areas.	Sep 30, 2013 8:44 AM
279	MAKE SURE THE ANIMALS ARE TAKEN CARE OF.	Sep 28, 2013 6:36 PM

Page 2, Q4. Do you have any other comments or recommendations regarding the possibility of additional recreational uses of the Sunnyvale Landfill?

280	I would love to see more animals, would the animal therapy area be open to the public or private?	Sep 27, 2013 11:57 AM
